SPRING PRICE LIST 1956

Preparing ground beds for fumigation. Whenever beds are emptied they are treated with Methyl Bromide or Vapam.

We invented this contraption to facilitate the planting of wide ground beds. Spacing is done by planting in the meshes of wire fencing laid on the ground.

WHOLESALE TERMS

Cash with order. Packed F.O.B. Corona. 50% cash advance with C.O.D. orders. Minimum wholesale order \$5.00. Hundred rate prices apply on twenty-five or more of one kind. For prices on smaller lots of a kind, see notation at heading of the general listings.

TRANSIT LOSSES

The goods are yours when delivered to the transportation company. Claims for heating, freezing, delay or poor handling must be taken up with the transporting agency.

In order that you may properly make claim upon the transportation company for transit losses, always ask the delivering agent for a bad order inspection.

LABELING

We label with plant names only when requested.

QUANTITY DISCOUNTS

On shipments amounting to —

\$ 50.00 or more 5% \$100.00 or more 10%

Quantity discounts apply to cash or C.O.D. orders. Customers who have established account standing, will be billed at the hundred rates and the above discounts will be allowed if remittance is mailed within twenty one days of invoice date.

SATISFACTION GUARANTEED

We guarantee quality and fair value. If not satisfied on these points return the goods at once at our expense for full refund.

This price list, effective Jan. 1, 1956, cancels all other price lists.

OVER THE GARDEN GATE

Happy New Year Neighbors:

We hope it will be happy and prosperous for all of you. That hurricanes, cyclones, floods, earthquakes and wars will stay away from your door. That you will be free from strikes and the best man will be elected President.

During the past quarter of a century in cactus and succulent growing, we have tried out many different varieties of plants. Those that did not come up to scratch for one reason or another, were discarded. We travelled many thousands of miles in Mexico searching for new and better kinds. We have visited your places of business and seen how the different kinds do for you. We are tailoring our production to fit your needs.

Our goal is the production of the best line of plants of the highest quality in the most useful sizes. Except for the pewee Miniature Assortment designed for 1¼-in. pots, nearly all the smallest plants we offer, are large enough to balance a 2¼-in. pot and be ready for immediate sale. There is no un-certainty about the size of plants you can expect from us as we always quote the approximate size as well as the price. Many growers do not. Can there be a reason?

All of our plants in flats are grown in heat treated soil and the ground beds are fumigated to keep down diseases and pests. We have co-operated with the plant pathology department of our State University in the study of cactus diseases and

their control. Our nursery is rated by our State Department of Agriculture in the upper ten per cent bracket of nurseries in regard to freedom from pests and diseases. Thorough inspections are made by both the state and county authorities.

We pay special attention to the proper drying of our plants before packing, to avoid transit losses. Packing is carefully done, usually in new cartons made to our order. Our system of packing gives the plants good protection and makes unpacking easy for you. Any plant that is worth shipping, is worth proper packing.

We are publishing "The Cactus Growing Story" weekly in the Florists' Review. If you have not noticed it, look for the next chapter. This illustrated story is the next best thing to coming to visit us and seeing for yourself how these critters are grown.

Again we say, "Happy New Year".

P.S. This list cancels all former quotations.—H.E.G.

ASSORTMENTS

To those who only wish a few of a kind, we recommend our assortments. They are made up of carefully selected plants from each price group and often include some kinds that we do not have in large enough quantity to list. Every one is a good kind and worthy of a place in the assortment. In the first four assortments listed below, we always put in equal numbers of each kind included. The other assortments will vary in numbers of a kind owing to the purpose of the assortment and stock limitations.

MINIATURE—Tiny all cactus or cactus and succulents mixed for 1¼ in. pots. Our selection. \$4.50 per 100.

SUNSET—All cactus, all succulents or mixed as requested for 2-2½ in. pots at \$7.50 per 100.

GOLDEN WEST—Larger plants of the Sunset group for 2½-3½ in. pots at \$10.00 per 100.

LITTLE JEWEL—These are the slow growing choice cactus of our price group "B" for 2-2½ in. pots at \$10.00 per 100.

ROYAL—Larger or choicer plants for 2½-3½ in. pots. Please say whether large size or choicer kinds are preferred. \$15.00 per 100.

SUPER—Larger or choicer plants for 3-4 in. pots. Please say whether large plants or smaller choice items for fanciers are desired \$25.00 per 100.

SUPER DUPER—Still larger or better plants as preferred. \$35.00 per 100.

GATES DISH GARDEN ASSORTMENT—Carefully selected cactus and succulents in varying numbers from all size and price groups for the purpose of making up complete, well balanced dish gardens. \$9.00 per 100.

NURSERY GROWN CACTUS ARE REALLY BETTER

Prices listed for 100 of a kind. For ten or more of a kind and less than twenty-five, add 20% service charge. If you desire less than ten of a kind, order one of our assortments and ask for as large a variety as possible. Since these prices are wholesale, \$7.50 is the minimum per order. Approximate sizes of the plants we offer, are given in inches below the price group headings. For quantity discounts see "Terms" on the first page.

CACTUS PLANTS	Price Group	A	B	C	D
	Price per 100	\$7.50	\$10.00	\$15.00	\$25.00
ASTROPHYTUM ornatum. Spiny Bishop Cap. Globular, usually five angled, many white dots, stout spines, yellow flower.....			1½-2	2-2½	2½-3
CEPHALOCEREUS mezcalaensis. Stout columnar, fluted, short spines, new.....	2-3		3-5		
CEPHALOCEREUS palmeri. Stout columnar, fluted ribs, some white hair.....			2-3		
CEPHALOCEREUS senilis. Mexican Old Man. Stout columnar, covered with long white hair.....			1½-2	2-2½	2½-3
CEREUS peruvianus types. Tall, columnar, few blue-green ribs.....	2-3		3-5		
CLEISTOCACTUS straussii. Columnar, covered with short weak white spines.....	2-3				
DOLICHOTHELE longimamma. Cushions of long green nipples, weak, light colored spines, yellow flower.....				2-3	
ECHINOCACTUS grusonii. Golden Ball. Globular, bearing gleaming yellow spines, woolly crown, very popular.....			1½-2	2-2½	
ECHINOPSIS Hybrids. Easter Lily Cactus. Globular, some long, some short spined, very large pink or white flowers in spring and summer.....	1½-2		2-2½	2½-3	3-4

	Price Group Price per 100	A \$7.50	B \$10.00	C \$15.00	D \$25.00
ECHINOPSIS multiplex. Pink Easter Lily. Globular, spiny, very large pink flowers. Day bloomer. Flowers in spring and summer.....		1½-2	2-2½	2½-3	
ESCONTRIA chiotilla. Columnar, few light green ribs, light colored spines, very attractive		2-3	3-5		
ESPOSTOA lanata. Old Man of Peru. Stout columnar, covered with soft white wool.....		1½-2	2-2½	2½-3	3-4
FEROCACTUS latispinus. Flattened globular, broad spined barrel cactus.....					3-3½
FEROCACTUS melocactiformis. Globular, light green, yellowish spines.....		1½-2	2-2½		
FEROCACTUS pringlei. Globular, colorful spines.....		1½-2	2-2½		
FEROCACTUS rectispinus. Globular, long spines.....		1½-2	2-2½		
FEROCACTUS wislizenii. Arizona Barrel. Globular, many ribs, young spines red, older gray to brown.....				2½-3	
HAMATOCACTUS setispinus. Strawberry Cactus. Globular, light brown spines, yellow flower. Free bloomer during spring and summer. Red fruit.....		1½-2	2-2½	2½-3	
LEMAIREOCEREUS dumortieri. Stout columnar, fin like ribs, rather weak white spines.....		2½-3	3-4	4-5	
LEMAIREOCEREUS marginatus. Organ Pipe. Tall columnar, few ribs, bright green.....		2-3	3-5		
LEMAIREOCEREUS pruinosus. Blue Mitre. Heavy, angular, columnar, bluish.....		2-3	3-5		
LEMAIREOCEREUS queretaroensis. Stout columnar, green, short spined.....			3-5		
LEMAIREOCEREUS stellatus. Stout columnar, gray to purplish body, short spines.....		2-3	3-4		
LEMAIREOCEREUS weberi. Columnar, dark body, light spines.....		2-3	3-4		
LOBIVIA, binghamiana. Clustering, globular, green, short gray spines, many red flowers....		1¼-1½	1½-2		
LOBIVIA famatimensis. Orange Cob Cactus. Cob shaped, short spined, flowers may be orange, yellow or red.....			1½-2	2-2½	
LOPHOCEREUS schottii. Crested Cereus. Stout columnar, 4-5 ribs, fewer and shorter spines..		2-3	3-5		
MAMMILLARIA bocasana. Powder Puff. Flattened globular, white hair over short hooked spines, yellow to pink flower.....			1½-2		
MAMMILLARIA camptotricha. Bird's Nest Cactus. Hemispherical with long nipples, tipped with weak soft spines, yellow flower.....			1½-2	2-2½	2½-3½
MAMMILLARIA celsiana. Globular, densely covered with short, creamy yellow spines....			1½-2		
MAMMILLARIA columbiana. (M. bogotensis). Globular to stout columnar, yellow to light brown, short spines, pink flower.....			1½-2		
MAMMILLARIA decipiens. Gnome's Pincushion. Hemispherical, soft green nipples, weak whitish spines, white flower.....			1½-2	2-2½	
MAMMILLARIA dolichocentra. Ruby Dumpling. Globular, brown spines, rose flower.....			1½-2	2-2½	2½-3
MAMMILLARIA durispina. Globular, short, black tipped spines, ruby flower.....			1½-2	2-2½	2½-3
MAMMILLARIA echinaria. Clustering columnar, straight yellow spines, yellow flower.....			2½-3	3-4	
MAMMILLARIA elongata. Golden Stars. Clustering, columnar, appressed yellow spines, yellow flower.....			2½-3	3-4	
MAMMILLARIA hahniana. Old Woman Cactus. Flattened globular, white spines, becoming hairy, rose pink flower in early spring.....			1½-2		
MAMMILLARIA kewensis. Globular, brown spines, rosy flower.....			1½-2	2-2½	
MAMMILLARIA longicoma. Biscuit shaped, white woolly, longer hooked spines than Bocasana, flesh colored flower.....			1½-2		
MAMMILLARIA magnimamma. Hemispherical, large nipples, short curved spines.....			1½-2	2-2½	2½-3
MAMMILLARIA perbella. Globular, very short white spines, numerous small bright pink flowers.....			1½-2		
MAMMILLARIA rhodantha. Rainbow Pincushion. Globular, numerous yellow to brown spines, ruby flower.....			1½-2	2-2½	2½-3
MAMMILLARIA vaupellii. Vaupel's Pincushion. Tall globular, very short amber spines, ruby flower.....			1½-2	2-2½	
MAMMILLARIA wildii. Fish Hook Pincushion. Globular clustering, harmless short spines, one tiny fish hook to each nipple, very free blooming in summer.....			1½-2	2-2½	
MONVILLEA diffusa. Slender, columnar, rather soft spines, white night flower.....			3-5		
MYRTILLOCACTUS geometrizans. Blue Myrtle. Columnar, angular, covered with bluish white powder. Branches freely when older.....			2-3	3-5	
MYRTILLOCACTUS schenckii. Stout columnar, yellow green body with about 6 ribs, short brown spines.....			1½-2	2-3	
NOTOCACTUS apricus. Sun Cups. Globular, soft gray-brown spines, Large yellow flower in May and June.....			1½-2	2-2½	2½-3
NOTOCACTUS mammillaris. Lemon Ball. Globular, short stout spines, many yellow flowers in spring and summer.....			1½-2	2-2½	
NOTOCACTUS ottonis. Indian Head. Globular, weak brown spines, yellow blooms all summer.....			1½-2	2-2½	
NOTOCACTUS scopa. Silver Ball. Globular, short weak silvery spines, centrals red tipped, yellow flowers in late spring and summer.....			1½-2		

	Price Group Price per 100	A \$7.50	B \$10.00	C \$15.00	D \$25.00
NYCTOCEREUS serpentinus. Snake Cactus. Fluted columnar, short brown spines, large white night flower in spring and summer.....			3-5		
OPUNTIA basilaris. Beaver Tail. Purplish pads, no spines, short glochids, large pink flower.....	2-3				
OPUNTIA hamiltoniae. Columnar with few spines on definite ribs, yellow flower.....	2-3				
OPUNTIA mammillata. Boxing Glove. Columnar, short spined. Soon forms strange twisted fasciations.....	2-3	3-5			
OPUNTIA microdasys. Bunny Ear. Rounded pads bearing clusters of tiny yellow spicules....	2-3	3-4			
OPUNTIA microdasys var. Honey Mike. Bunny ears with harmless cream colored spines.....	2-3	3-4			
OPUNTIA monacantha. (Vulgaris). Green pads, few spines, yellow flowers.....	2-3				
OPUNTIA rufida. Cinnamon Cactus. Rounded pads bearing clusters of reddish-brown spicules.....	2-3	3-5			
OPUNTIA schickendantzii. Mule Ears. Elongated pads, short light brown spines.....	2-3	3-5			
OPUNTIA Vilis. Dwarf Mexican Tree. Freely branching, very useful when small tree shaped plant is desired.....	2-3	3-5			
OREOCEREUS celsianus. Old Man of the Andes. Very stout columnar, very long white hair over stout reddish brown spines.....			2-2½	2½-3	
PACHYCEREUS pecten-aboriginum. Indian Comb. Stout columnar, about 8 ribs, short, light colored spines.....	2-3	3-5			
PACHYCEREUS pringlei. Mexican Giant. Heavy columnar, short, stiff gray spines.....	2-3	3-5			
TRICHOCEREUS spachianus. White Torch Cactus. Fluted, heavy columnar, short brown spines	2-3	3-5			
ZYGOCACTUS truncatus. Christmas Cactus. Freely branching, short flat spineless joints, bright pink flower in winter.....		2½-4	4-6	6-8	

SUCCULENT PLANTS

ALOE beguinii. Pearl Aloe. Dwarf, thin pointed leaves bearing white dots.....	2-2½	2½-3			
ALOE humilis brevifolia. Rosettes, pearl gray leaves, salmon flower.....	2-2½	2½-3	3-4		
ALOE humilis globosa. Crocodile Aloe. Incurved leaves, more compact than Brevifolia.....	2-2½	2½-3			
ALOE hum-vir. Needle Aloe. Slender, erect, toothed green leaves.....	2-3	3-5			
ALOE microstigma. Polka Dot Aloe. Rosettes, erect leaves with many small dots.....	2½-3½				
ALOE nobilis. Gold Tooth. Rosettes, dark green leaves, yellow teeth.....	2-3	3-5			
ALOE variegata. Tiger Aloe. Triangular, gray leaves, white variegation, scarlet flower.....	2-2½	2½-3½	3½-5	5-6	
CHERIDOPSIS candidissima. V for Victory. Forms clusters of pulverulent erect angular leaves, large yellow to pink flower in winter.....	2-3	3-5			
EUPHORBIA heptagona hybrid. Tall columnar, bright green stems, soon branching, blunt red thorns.....		5-7			
EUPHORBIA hermentiana. Tall angular stems bearing small green leaves when young, light stem markings.....	3-5	5-7			
EUPHORBIA obesa. Basket Ball. Spherical, very hard. A very curious plant from South Africa where further exportation is prohibited.....			1½-2	2-2¼	
FAUCARIA tigrina hybrids. Tiger Jaws. Broad triangular leaves variously dotted and toothed. Yellow flowers in fall.....	2-2½				
GASTERIA hybrids. Ox Tongue. Tall, 2-ranked leaves, spotted with white. Very durable.....	2-3	3-5			
GASTERIA verrucosa hybrid. Rice Gasteria. Gray green leaves dotted with white.....	2-3	3-5			
GASWORTHIA royal highness. Tegelberg's hybrid. Rosettes of stout pointed leaves, with many raised white dots.....	2-3	3-4			
HAWORTHIA margaritifera. Mother-in-law's Tongue. Rosettes of sharply tapering leaves bearing irregularly spaced, raised white dots.....	2-2½				
HAWORTHIA fasciata. Zebra Plant. Rosettes sharply tapering upright leaves bearing raised white dots in transverse bands.....	2-2½				
HEREROA nelii. Moose Horns. Rosettes of scimitar shaped green leaves, small yellow flowers.....	2-3				
KALANCHOE tomentosa. Panda Plant. Broad leaves covered with silver plush, brown spots on margins.....	2-3	3-4			
NANANTHUS malherbei. Very interesting rosettes of shell shaped gray-green leaves, beaded edges, pink to yellow flower.....	2-3				
PLEIOSPILOS bolusii. Split Rock. One to three pairs of thick leaves that resemble stones. Yellow to pink flowers in the fall.....	2-2½	2½-3			
PLEIOSPILOS nelii. Cleft Stone. More globular and compact than Bolusii. Slower growing. Yellow to pink flower in late winter.....	2-2½				
ROCCHIA falcata. Scarlet Paint Brush. Keel shaped, gray green leaves in opposite pairs, large trusses of scarlet flowers in summer.....	2-2½	2½-4			
SEMPERVIVUM assorted. House Leeks. Compact rosettes of various types.....	2-2½				
STAPELIA hirsuta hybrids. Hairy Star Fish Flower. Erect cactoid branches often looking like miniature Arizona Giants. Large star shaped flower bearing many short hairs.....	2½-4				
STAPELIA variegata. Spotted Toad Flower. Angular notched branches, freely clustering, peculiar spotted, star shaped flower with disk in center. Odiferous!.....	2-3				
STOMATIUM fulleri. Clustering rosettes, toothed, small, thick leaves.....	2-2½
